Avengers Quest Camporee: Event Description

Welcome to the Avengers Quest Camporee, the ultimate adventure for scouts! The world is at risk, and we recruited legendary Avengers, each with their unique power, to train our scouts. This is a once-in-a-lifetime opportunity to learn from the best and become a hero.

The camporee will be divided into 8 sessions, each led by one of the Avengers. Scouts will spend 40-50 minutes with each Avenger, participating in competitions based on the Avenger's special skill. These challenges are designed to test and develop the scouts' abilities in various areas, including strength, intelligence, strategy, stealth, observation, and bravery.

The highlight of the event is the Avengers Artifact Quest. Our heroes' powerful artifacts have been scattered across the camp, and it's up to the scouts to find them and save the world. Each artifact is tied to a specific hero and requires different skills to uncover:

1. Thor's Hammer
2. Iron Man's Arc Reactor
3. Captain America's Shield
4. Black Widow's Espionage Gear
5. Hawkeye's Quiver
6. Hulk's Gamma Radiation Device

The competition will be fierce, but the rewards are great. The team with the highest aggregate score from all the challenges will win a special award. However, the true victory lies in the skills and knowledge gained during the camporee. These skills will not only help the scouts succeed in the Avengers Artifact Quest but also in their everyday lives.

This event is more than just a competition; it's an opportunity for scouts to grow, learn, and have fun. They'll develop valuable skills, make new friends, and create lasting memories. The Avengers Quest Camporee is a unique experience that combines adventure, learning, and teamwork in an exciting and immersive environment.

So, are you ready to answer the call? Join us at the Avengers Quest Camporee and become the hero the world needs. Register now and embark on an epic adventure that you'll never forget.

Speech 1:

Welcome Speech ([name]) – YOU ARE AVENGERS-TO-BE , [name]

 Avengers Quest Camporee: Friday Night Welcome Speech (Leader – “[name]”)

[Leader steps up in front of campfire or stage, pauses for silence, dramatic tone]

“Welcome, Scouts... to the *Avengers Quest Camporee*!

This weekend, you're not just Scouts — you are *Avengers-in-training*!

The world is in danger. The Avengers have sent out a call across the globe for the next generation of heroes — strong in body, sharp in mind, and brave in heart. You answered that call.

Starting tomorrow morning, you will train under the guidance of Earth's Mightiest Heroes. Each Avenger has prepared a unique challenge designed to test a different aspect of what it means to be a hero.

This isn't just fun — it's *training for greatness*. You'll need teamwork, precision, focus, and courage to succeed.”

Mission Overview

“Your mission is part of the **Avengers Artifact Quest** — the ultimate test.

The Avengers' powerful artifacts — their shields, hammers, bows, and more — have been scattered throughout camp. Only the most disciplined and unified teams can recover them.

Each artifact represents an Avenger's greatest strength — and each challenge you complete brings you closer to mastering that hero's power.”

How It Works

“Tomorrow, the Camporee will be divided into **eight Avengers Training Sessions** — each lasting about 50 minutes, with a short rotation break in between.

You'll visit every Avenger and face a challenge built around their unique abilities:

1. **Forging the Avengers' Arsenal** – where you'll learn teamwork and creativity.
2. **Hawkeye: Archery & Riflery** – testing focus and steady aim.
3. **Shield Throw & Hammer Lift** – combining strength and precision.
4. **S.H.I.E.L.D. Recon & Rescue Mission** – strategy and communication under pressure.

5. **VR Headset Simulation** – training in observation and futuristic awareness.
6. **Welding Workshop** – crafting like Tony Stark himself.
7. **Doctor Strange: Magic & Strategy** – unlocking the power of your mind.
8. **Black Widow Stealth Agility & Black Panther Jungle Survival** – agility, stealth, and instinct.

As you rotate through each session, you'll earn *Infinity Stones* for your troop's vault — each one representing your skill, teamwork, and heart.”

Scoring and the Infinity Vault

“Every troop will start with an empty *clear mason jar* — *your team's Vault*.

Each station has **four sub-challenges**, each awarding a different *Infinity Stone* based on your troop's score. The color and value of the stone reflect how well your troop performed.

Some troops might have 1 scout, others 8 or 16 — but don't worry. Scoring is based on your troop's *average performance*, not your size.

By the end of the Camporee, your Vault will hold the story of your journey — the record of your teamwork, your skill, and your spirit.”

Logistics Overview

“Each rotation lasts about **50 minutes**, with **5–10 minutes** to move between stations.

You'll rotate as a troop or pack. At each new station, you'll find four sub-stations led by trained Avengers leaders.

While one troop trains, another will rotate in, ensuring smooth transitions all morning.

By the end of the day, every troop will have completed all **eight Avengers challenges** and earned their collection of stones.”

Closing Call to Action

“Scouts — tomorrow, you'll laugh, compete, and get a little muddy. You'll throw shields, lift hammers, dodge lasers, and break barriers.

But most importantly, you'll learn what it *truly means* to be an Avenger — to work as a team, to lead with courage, and to never give up when things get tough.

The winning troop will earn a special Avengers honor... but every Scout who completes the quest will walk away stronger, smarter, and ready for any challenge that comes their way.

So tonight, rest up. Tomorrow — *your training begins*.

The world needs heroes... and the next Avengers may be sitting right here tonight.”

“Avengers... assemble!”

Speech 2 (before Friday night games)

Friday Night PM – Speech 2 following video

 Friday Night – Leader Speech #2 (Post-Video, Logistics & Reminders)
“Wow! What an amazing preview, right?
You’ve just seen what’s in store for the Avengers Quest Camporee — and tomorrow, you’ll step straight into that action.
But before we get there, let’s talk about what’s happening *tonight* and what you need to know to be ready for tomorrow.”

Friday Night Schedule

“In just a few moments, my colleague [REDACTED] will take over and walk you through how we’ll spend the next 60 minutes — our Friday night activity leading up to *cracker barrel*.
It’s going to be fun, hands-on, and a great way to start your Avengers weekend!”

Tomorrow Morning – Key Reminders

“Tomorrow morning, I’ll see every one of you at the flag ceremony at 7:35 a.m. sharp. **Assemble into 4 groups, based on color t-shirt**
Make sure you’re wearing your colored team T-shirt — that’s your Infinity Stone color — and that you have the following ready to go:

- A bottle of water 
- Your compass 
- Your camp map

- Proper clothing for welding and activity stations (long sleeves, closed-toe shoes)  

After flag, at 7:50 a.m., your groups will depart the field to begin your Avengers Training rotations.”

Teams and Staff

“We’ve got about 100 Scouts here this weekend, divided into four groups, each wearing a different colored T-shirt — representing the colors of the Infinity Stones. You’ll also see about 60 Camporee Staff around the field — they’ll all be wearing orange shirts. These are your Avengers Trainers and support crew, so if you need help, directions, or water — find someone in orange.”

Rules for the Weekend

“A few quick but important reminders, heroes:

- Always wear your team T-shirt — every adult, every staff member, and every Scout.
- Stay hydrated. Keep your water bottle with you at all times.
- Bring your compass and map to every session — you’ll need them.
- Dress appropriately for welding and physical challenges.
- And finally... Lights out at 23:30 (11:30 p.m.)!
Tomorrow is a big day, and you’ll want to be well-rested when training begins.”

07:35 – 0750

Flag ceremony & **Saturday Camp Director Announcement**, CAMPOREE SHIRT ALL WEEKEND UNTIL DEPARTURE

Organize by color, stations are by color – we should have 4 groups of 50 colored scouts

Good morning, Scouts! – Director – Speech 3 Saturday AM FLAG

[Opening – During or immediately after Flag Ceremony]

(Flag team enters and raises flag as music or bugle plays.)

Director:

“Good morning, Avengers!”

Pause for Scouts to respond enthusiastically.

“Let’s begin our day the right way — standing tall, proud, and united under our flag.

Everyone, please remove your caps and join me in the Pledge of Allegiance.”

(Lead Pledge of Allegiance.)

“Thank you. Scouts, remember — being an Avenger is about service, honor, and teamwork. The flag represents those same values. Every action today — how you help a teammate, how you face a challenge, and how you show respect — reflects the Scout Oath and Law.”

[Transition to Morning Announcements]

“Alright, Avengers, let’s get ready for a big day!

We’ve got about 100 Scouts here this weekend, divided into **four teams**, each wearing a **different colored T-shirt** representing the **Infinity Stones**.

You’ll also see about **60 Camporee Staff** around the field — they’ll all be wearing **orange shirts**.

Those are your **Avengers Trainers and support crew**.

If you need help, directions, water, or a quick recharge — find someone in orange!”

⚙️ Mechanics of the Morning

- You’ll **move with your assigned color team** and **rotate among four Avengers Training Stations** this morning.
- Each rotation lasts **50 minutes**; we’ll rotate **on the hour** — at **8:00, 9:00, 10:00, and 11:00**.
- We’ll meet back here for **lunch at 12:00**, and resume afternoon training at **1:10 PM**.

Each station will have smaller sub-stations to keep things moving.

If your troop has **fewer than 10 Scouts**, no problem — go as you are.

If you have **more than 10**, divide into two smaller groups — each group will complete the challenge, and your troop's score will be averaged.

Competition and Scoring

- You'll **compete by troop or pack**, not by color group.
The color shirt is just for team organization — scoring is by **unit number**.
- Each challenge earns you a **colored crystal** based on performance and teamwork.
Don't lose it — you'll need it later!
- After your fourth morning rotation and again after your afternoon rotations, your troop will **deposit your earned crystals** into your unit's jar at the dining hall.
Those jars represent your **Infinity Power** — so guard them well!

Reminders for Every Avenger

- **ALWAYS wear your colored Camporee T-shirt** — every Scout, adult, and staff member.
- **Carry your bottled water, compass, and map** with you at all times.
- **Stay with your group** — this isn't a solo mission.
- Respect all safety directions from the orange-shirted Avengers Trainers.

And remember: **Lights out at 11:30 PM tonight**. Early start again tomorrow!

Special Feature

Today's special challenge includes:

“What Would an Avenger Eat?” — a fun look at high-energy snack choices to fuel your mission. Don't miss it!

Closing Before Release

“So here's the plan:

After the flag is lowered this evening, we'll review scores, award stones, and share updates before cracker barrel.

But for now —

Get hydrated, get focused, and prepare to train like an Avenger!”

(Pause, smile)

“Leaders in orange — please guide your color groups to your first station.

Avengers... assemble!”

Dismissed.

That's four more Avengers Training stations this afternoon, bringing your total to eight for the day. By the end, each troop will have completed all of the skills challenges.”

🕒 Reminders for Every Avenger

- **Wear your colored T-shirt** — every Scout, every leader, all day.
 - **Bring your bottled water, compass, and map** — these are your field tools.
 - **Stay with your color group and follow your station rotation schedule.**
 - **Support your teammates** — remember, today's points are earned by teamwork, not just speed.
 - If you need anything — help, directions, or first aid — find someone in **an orange shirt**. Those are your Avengers Staff.
-

💎 Competition & Crystal Reminder

“At each station, you'll continue earning **colored crystals** based on your skill, effort, and teamwork.

Your troop's score is tracked under your **troop or pack number**, not your T-shirt color.

When you finish your last station this afternoon, **bring your earned crystals** to the dining hall and place them into your troop or pack's jar.

Every crystal strengthens your team's Infinity Power — so protect it!”

🌃 Evening Schedule

- **5:30 PM** – Dinner at your campsite
 - **7:00 PM** – Assemble **by color at the flagpole** for your **evening mission briefing**.
At that time, **one member from each color team** will report to the **Trading Post** for special instructions that will shape the next phase of your Avengers Quest.

SATURDAY Evening

19:15: INFINITY GANTLET 60-80 minutes starts ([REDACTED])

As always, Job 1 is to keep the scouts running for a while. The twist this year is that squads will have to show teamwork while deprived of their leaders. We begin with a run to the Chapel (See Job 1, above) to retrieve a "Soul Stone." As we all know, the Soul Stone requires a sacrifice. The self-identified team leaders will be sent to Knowhere, aka the Mess Hall. Without them, each team will have to transport a Soul Stone back to the Trading Post. The catch is that they can only touch the Soul Stone (glowing ping pong ball) with a Stark Industries Infinity Spoon, and when one team member drops it, another has to take a turn. Team leaders, meanwhile, will have instructions on how to solve a particular type of coded message -- but they won't have the message. They'll also be given permission to watch what happens next from the Knowhere breezeway. When teams turn in their Soul Stone, each team will retrieve a Stark Industries Gamma Disc from the Photonic Enrichment Chamber and begin playing Frisbee Golf. They must use a rotation in which every player throws, and must hit each of the eight extant disc golf goals, in any order (teamwork challenge to figure out a strategy), and fill out a scorecard showing which Avenger they found in each goal.

Hopefully having 100+ kids playing Frisbee Golf in the dark with glowing discs will be as fun to watch in reality as it is in my head. For safety's sake, these are Frisbee-style discs, not the disc golf-type discs that could take somebody's head off. Even so, staff would be well advised not to park near any of the baskets. When they've completed this challenge, teams will get a coded message to take to their sequestered leaders. Solving the code will trigger one final scramble on the disc golf course. When teams report in at the Trading Post, they'll be sent to the Arena. If we have scouts with mobility issues -- wheelchairs or whatever -- let's identify them during the day and we will come up with appropriate strategies. One solution might be to put them in the codebreaking spot, but that's not the only option

Scoring – will be different (idea from Destin seafood festival)

- See DOCUMENT **SCORING RUBRIC** – CLICK TO SEE DETAILS
- Station leaders need to create objective standard
- We need 20 mason jars to keep in dining room
- Each station needs one set of colors 4 for each troop competing x number of session

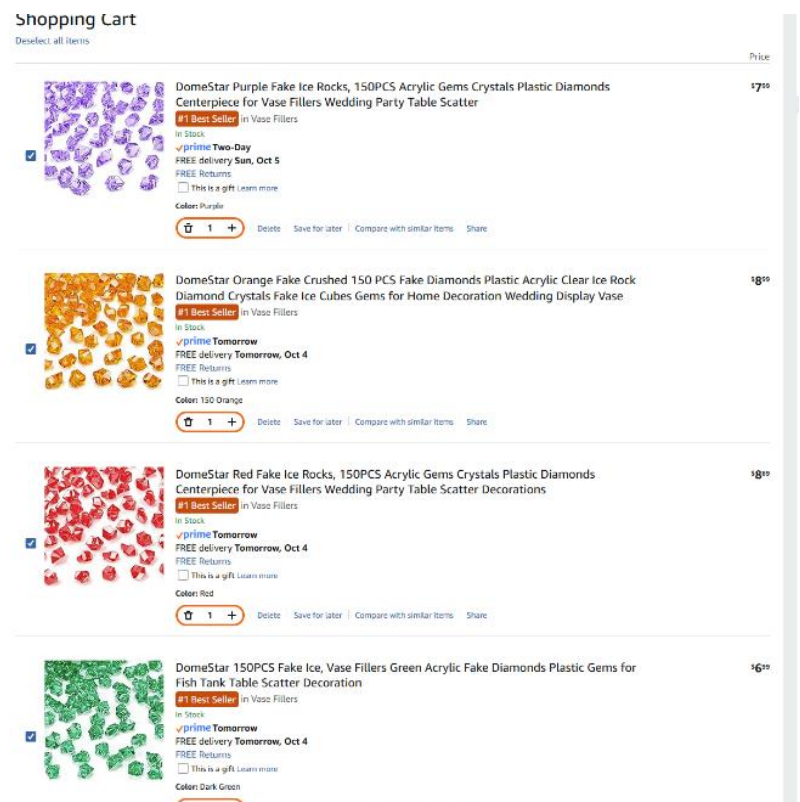

So approximate counts:

-  Red (90 points) → 25% of 160 ≈ 40 stones
-  Purple (80 points) → 25% of 160 ≈ 40 stones
-  Green (70 points) → 25% of 160 ≈ 40 stones
-  Orange (60 points) → 25% of 160 ≈ 40 stones

To be safe (and allow cushion for extras, lost marbles, or uneven performance):

-  Red → 50
-  Purple → 50
-  Green → 50
-  Orange → 50

Total = 200 stones.

FALL CAMPOREE 2025: Heroes Assembled

In every great mission, there are heroes who stand behind the shield — powering the cause, fueling the journey, and making the impossible possible. This Fall Camporee, our heroes came not from distant galaxies, but from right here in our own community.

Together, they assembled — each one adding their unique strength to our adventure:

- Starbucks – fueling our heroes with the power of caffeine.
- Chick-fil-A – bringing warmth, smiles, and the taste of teamwork.
- Rich's Car Wash – keeping our transports shining and battle-ready.
- Greer's – supplying rations worthy of any field mission.
- LavaBox – igniting creativity and connection.
- Publix – where shopping is a heroic act of support.
- OWA – adding thrills and adventure beyond imagination.
- Blind Mule – feeding the team with dedication and generous spirit.
- The Fresh Market (Mobile) – providing premium provisions for our camp heroes.
- Rouses and Winn-Dixie – rallying local forces to stock our supplies.
- Crunchmaster – adding crunch to every heroic snack break.
- Gulf Island Water Park – bringing a splash of excitement to our quest.
- Foosacklys – fueling camp camaraderie with legendary chicken.
- That's it Fruit – delivering simple, strong, natural energy.
- Wesco – powering our mission with precision.
- Gas and Supply – ensuring every engine and effort stayed strong.
- Alabama Forge Council – forging the spirit and strength that binds us.

Together, these partners formed our Camporee Alliance, the mighty team behind the success of Fall Camporee 2025.

Because of them, our scouts rose to every challenge — learning, laughing, and leading with courage.

To our sponsors — we thank you for assembling with us.
The adventure would not have been complete without you.
